Dear Joseph:

I was delighted to read in the *New Richmond News* that you have been selected to serve as a volunteer member of the American Cancer Society's Nationwide Gift Planning Advisory Council. I am always moved to hear about Saint John's graduates who are using their skills and talents to help other people and, in your case, help save lives through your fundraising efforts.

Best wishes for your continued success, Joseph. Please know that all of us at Saint John's are proud of you and your accomplishments – and we are proud to claim you as a Johnnie.

Sincerely,

Fr. Robert Koopmann, OSB  
President
